

Berkshire Vision

Preschool Group for under 5s with a Vision Impairment

Venue: Penn Road Children's Centre, Penn Road, Slough SL2 1PG. There is plenty of parking there. If you are coming along, please be aware that the Centre has a new door entry system and if no one is on Reception, you will need to phone me to let you in (or wave madly at the windows on the right!)

Dates - Thursdays: 4th Thursday of every month:, 27th November, 18th December (1 week earlier than usual).

Timing: We start at 10am and finish at 12 midday.

Ages: 0-4

Cost: FREE

Food: Snacks are available for the children, so if your child has any allergies, please let Carol know.

Programme: There will have a craft activity available, story-time, and even a song or two if time allows.

Come and join in the fun with other families. Younger siblings are also welcome to come along too. The sessions involve a story, music, playing, craft, and snack time. There is also an outdoor space we can use if the weather is dry. It is an opportunity for parents to chat to other parents and for children to enjoy playing together

We are grateful to Little Lives for the funding to set up this group.

For more details or to book your place, please contact Carol Barnfather, Children, Young People and Families Officer at Berkshire Vision.

Carol Barnfather

Children, Young People and Families Officer

My working days are Mondays, Wednesdays and Thursdays 8.45-16.45.
