

# BSCS Parent Workshop Preparing for transition

**This workshop is designed to support every type of transition in your child's life. We will focus on moves of all sizes—from starting nursery, school or moving to secondary, to post-16 steps and even moving house. We will also discuss smaller, vital changes like moving to a new classroom, focusing on environment, curriculum, and technology.**

The event is free and open to parents of children and young people who are supported by one of our Teachers of the Vision Impaired. Your child may be aged from preschool to post 16. If school age they must attend mainstream school.

Two identical workshops will be held on Friday and Saturday, please state your preference when you book.

**Date:** Friday 12th June or Saturday 13th June (you choose)

**Venue:** Reading University London Road Campus, Building L33, Room G01

**Time:** 10.30 am to midday
